Getting Started

Digging Deeper

Read John 13:1-17

According to this passage, why did Jesus wash the feet of the disciples?

Jesus’ command for us to wash feet isn’t about our serving through a certain act; it is about serving with certain attitude. What are some examples of how we can serve one another in this way?

Read John 14:15-27; 16:5-16

Spend some time highlighting everything that Jesus teaches us about the Holy Spirit.

How does the Spirit teach believers?

Why is this important for us to know and understand as Christians?

Bringing It Home

The central emphasis of the Passover meal was traditionally the sacrificial lamb; where did Jesus place His emphasis? What new meaning does the sacrificial lamb take on after Jesus’ death?

Jesus says that apart from Him, we can accomplish nothing. What do we need to do in order to stay close to Jesus?

What are some practical ways that we, as a group, can continue the mission of Jesus?

Spend some time praying together as a group.
